Sunday, August 23, 2020 ■ Livestream at 10:15 a.m.

## Our Mission

The mission of First Unitarian Portland is to create a welcoming community of diverse individuals; to promote love, reason, and freedom in religion; to foster lifelong spiritual growth; and to act for social justice.

## Our Vision

First Unitarian Portland is a beacon of hope for us and for our community, a spiritual center in the heart of our city that helps each of us to find our moral compass, calling and challenging us to build the beloved community with an ever-deepening sense of spirit, diversity, and inclusion.

Text and translations for choral music in our services are on our website under Worship/Music Ministry.

This month we share our offering with Black Lives of UU. BLUU provides guidance and best practices for the important work of congregations supporting groups seeking to organize safely, spiritually, and effectively. BLUU also provides worship and educational resources for deepening the connection between our faith and our shared vision of justice for all.
