

# Learning Community E-News

Sunday, May 19 & May 26, 2024

Dear Ones,

It's the last day of RE! I hope that children, youth, and parents will join me in expressing gratitude to their teachers for their time, attention, and presence. I am wowed, over and over, by the creativity and dedication of our teaching teams. They do it because they love it, but a heartfelt thanks—maybe even a handmade card—might be a nice way to acknowledge their commitment.

I hope every single person who is (a) reading this and (b) has ever smiled at or been annoyed by anything in the Learning Community this year will honor us with some feedback by taking a short and painless survey. Thank you in advance for clicking through! On a personal note, after coming on staff in November, I am awed to be wrapping up the program year so soon. I'd consider it a real favor to hear from you about how it went and how we can chart a wonderful course for the summer and beyond.

Love,  
*Leah*

P.S. Two important notes: No Together Time this Sunday!

**Next Sunday (May 26th) is an RE holiday with nursery care only.  
Children/youth always welcome in the sanctuary.**
